

The  
exciting  
new video  
game based  
on this summer's  
movie epic...

Gottlieb

# KRULL™

**Five  
challenging  
adventures  
in one  
video game!**

- 1.** Arm yourself by collecting the five blades of your weapon while dodging the avalanche of boulders.

- 2.** Destroy the evil Slayers with your glove and rescue your army, who will help you in later screens.

- 3.** Protect your army by placing them in the traveling hexagon that masks the entrance to the Fortress.

- 5.** You must now battle the Beast. Avoid the fireballs and defeat him to rescue the Princess Lyssa.

- 4.** Only the black walls of the giant hexagon are vulnerable to your assault. Open the black walls with your glove and prepare to face the Beast.
